Market Overview

In ZIP 50003, the current median listing price is \$374,945, with homes taking an average of 73 days to sell. With 22 active listings and only 3 pending sales, the market is relatively cool, giving buyers some negotiating power. Sellers may need to be patient and flexible on pricing, while buyers can take advantage of the slower pace to find a good deal. With 10 properties sold in the past 90 days, buyers and sellers should be prepared to act cautiously in this balanced-to-cool market.
